

**Agnico – Eagle Mines Ltd. will be holding a public meeting at the Community Hall on March 13, 2008. The meeting will start at 7:00 p.m.**

**The meeting will deal with the following issues to help the community better understand the issues to be discussed at the Nunavut Water Board's Final Public Hearing for the Meadowbank Project scheduled for mid April in Baker Lake:**

**How is water used at the Meadowbank Project;**

**Drinking water**

**Water for processing the ore**

**Storm water and snow melt**

**Water removed from the lake to allow for mining**

**How will the Meadowbank Project handle the following types of waste.**

**Garbage**

**Kitchen Wastes**

**Sewage & shower water**

**Hazardous Waste like engine oils, antifreeze, batteries, etc**

**Waste material from the Mill (Tailings)**

**Refreshments will be available and everyone is welcomed.**

**For more info please call Michael at 793-4612.**
