Re: Application Acknowledgement for the Meadowbank Project

Dear Ms. Grondin:

The Nunavut Water Board (“Board”) acknowledges receipt on September 4, 2007 of your application, for the Meadowbank Project.

The Board notes the amalgamation of Agnico-Eagle Mines Ltd. (AEM) with Cumberland Resources & Meadowbank Mining Corporation. However, the original 2003 application form is inconsistent with recent submissions with respect to the Corporate structure and the Board requests that a revised application form be submitted to reflect these changes in:

- Box 1 - Name & Mailing Address of the Applicant/Licensee to reflect the name associated with the documents submitted September 4, 2007 (Meadowbank Mining Corporation); and
- Box 2 - Address of Corporate Office reflecting AEM.

Upon receipt of the revised application form the Board will then notify all parties on the licensing process.

Also required is the administration fee of \$30.00 which was not received initially in 2003.

Please call the undersigned at (867) 360-6338 or email at licensingadmin@nunavutwaterboard.org if you have any questions.

Sincerely,
