Hi Karen

We started to review the comments received. Some comments are more technical review and can take some time to answer. Can you give me a call on my cell when you are available to discuss the timing and the details that you are expecting in this clarification response before the technical review start.

Thanks

Hi Stéphane,

Just to follow up with our morning discussion. As the October 13th is a Monday, although it is not critical, however, It would be great if you try to submit the additional information by Friday October 10th.

Thanks,
