Status

Project Name: MeadowBank Gold Project
Project Description: Gold mine 70 km north of Baker Lake. For a full description see the Project Description Report

Company Name: Cumberland Resources Ltd.
Address: Suit 950-505 Burrard St.
Address (Continued):
City: Vancouver
Province: BC
Country: Canada
Postal Code: V7X 1M4

Contact Name: Mr. Craig Goodings
Position: Environmental Manager
Phone Number: 604 608-2557
Fax Number: 604 608-2559
Email Address: cgoodings@cumberlandresources.com

Site Location:

Latitude: 6 5.01
Longitude: 96.04
NTS: UNK N

Geographic Characteristics:

The NPC land use planning region is: Keewatin
The Inuit Association is: Kivalliq

Other Characteristics:

The project will involve the use of water that is not for domestic or personal use.
The project will not involve the dumping of waste into water.
The project does not require the disposal of limestone, granite, slate, marble, gypsum, loam, marl, gravel, sand, clay, volcanic ash, or stone from territorial land.
The project will involve the use, in any 30-day period, of more than 150 kilograms of explosives.
The project will involve the use, except on a public road or trail, of a vehicle that exceeds 10 tons net vehicle weight.
The project will involve the use of any power driven machinery for earth drilling purposes whose operating weight, excluding the weight of drill rods or stems, bits, pumps and other

ancillary equipment, exceeds 2.5 tons.

The project will involve the establishment of a campsite that is to be used for more than 400 man-days.

The project will involve the establishment of a petroleum fuel storage facility exceeding 80 000 litres capacity or the use of a single container for the storage of petroleum fuel that has a capacity exceeding 4 000 litres.

The project will involve the use of a self-propelled power driven machine for moving earth or clearing land of vegetation.

The project will not involve the use of a stationary power driven machine for hydraulic prospecting, moving earth or clearing land, other than a power saw.

The project will involve the levelling, grading, clearing, cutting or snowploughing of a line, trail or right-of-way exceeding 1.5 metres in width and exceeding 4 hectares in area.

The project will involve bulk storage of fuel, power generation with nuclear fuels, or hydro power and an industrial activity.

The project will not involve the construction, operating and maintenance of hotels, motels or tourist facilities of 20 beds or more outside the boundaries of a municipality.

The project will not involve Archaeological Research.

The project will not involve registration of a new storage tank system.

The project will require a land use permit.
