Good afternoon,

Email to confirm that the above extension request under the AANDC authorisation N2011C0014 will not require a NPC conformity review. The terms agreed to under an AANDC File N2011C0014, dated March 22, 2011 under a NWB 2BE PBP review are still in effect and must become part of any authorization issued.

I have attached the terms agreed to under the NWB 2BE PBP review.

Any questions concerns, please do not hesitate.

Subject: NPC conformity determination - AEM Vault Pit Expansion into Phaser Lake - Project Description

Hi Mr. Aglukark,

Agnico Eagle Mines Limited – Meadowbank Division has submitted a project description for the Vault Pit Expansion into Phaser Lake to the Nunavut Planning Commission for a conformity review with the Kivalliq Regional Land Use Plan on July 15th 2014. The NIRB will not assess the project proposal before they received the conformity determination from the NPC. AEM want to know when can we expect a conformity review on this project description.

Bests regards,

Marie-Pier Marcil
