The Department of Lands and Resources (DLR) of Nunavut Tunngavik Inc. (NTI) would like to thank you for including our department in the review of the Meadowbank Gold Project FEIS process.

FEIS Conformity Meeting

The DLR will participate in FEIS conformity meeting which will take place on Thursday December 15, 2005 to discuss the deficiencies arising from your internal conformity review.

FEIS Concerns, Information Requests and Exchanges

Subject to NIRB's decision on the conformity meeting and the scheduling of deadlines and timelines as set out in your letter dated November 25, 2005 are reasonable which we agree upon will be beneficial to all parties.

Final Hearing Dates and Locations

The DLR agrees with the scheduling of the final hearings and venues to take place in Baker Lake, Chesterfield Inlet and Rankin Inlet the week of April 2, 2006.

Should you require further information, please do not hesitate to contact me.

Yours truly,

Jeannie Ehaloak
Environmental Coordinator
