MUNICIPALITY OF BAKER LAKE

P.O. BOX 149
BAKER LAKE, N.W.T.
X0C 0A0

2008 September 12

Ms. Leslie Payette
N.I.R.B.
Cambridge Bay, NU

Fax: 1-867-983-2594

Dear Ms. Payette:

The Hamlet of Baker Lake respectfully requests that the road restriction on the Meadow Bank road be relocated. As per section 32(a) The installation of locked gates at bridges 1 and 4 are to restrictive for our hunters who would like access to the road up to their traditional hunting grounds at Quarry Mark 20, and that the gate be placed at the Exploration Camp.

As per section 12 (a) 2, Council would like the N.I.R.B to look into changing the current restriction on this road by opening it up for our hunters who would use this road at their own risk. There are many company roads across Canada that have been built by the private sector, which are used by the general public. The Hamlet Council of Baker Lake would like to see this happen in Baker Lake.

Any consideration given to this request is greatly appreciated.

Sincerely

David Aksawnee
Mayor
