Dear Ms. Hanson,

**Re: Application Acknowledgement and Additional Information Required for
Agnico-Eagle Mines Ltd's Meadowbank Airstrip Expansion Project Proposal**

In a letter dated April 29, 2010, the NIRB indicated that the proposed expansion of the Meadowbank airstrip requires screening in accordance with Part 4, Article 12 of the Nunavut Land Claims Agreement (NLCA); however the February 4, 2010 project proposal did not contain sufficient information to permit proper screening.

The following technical memorandum 'Application for Airstrip Expansion (File Number 10XN039) – Additional Information Meadowbank Gold Project, Nunavut' is intended to give additional information on the airstrip expansion project to satisfy the request by the NIRB.

Should you have any questions regarding this technical memorandum, please contact me via email at stephane.robert@agnico-eagle.com or by telephone at 819-763-0229.

Regards,

Stéphane Robert
Environment Superintendent
