Baker Lake HTO read & review the a/m document. As the BL HTO is on the 'distribution list' & being the nearest community, the board wanted further info., before they can comment. The following is need by HTO

- Map showing proposed winter road
- the 19 sites, where 78 drill sites are planned
- the hto board request that AEM environmental or, project personnel meet with the hto board prior to deadline April 3.
