Re: Agnico Eagle's response to Meadowbank Gold Project 2016 Annual Report and Recommendations

Dear Ms. Granchinho,

On July 27, 2017, Agnico Eagle sent a letter to postpone the submission of the response to the 2016 annual report comments of the Board to August 8th. Considering statutory holiday and the review of the work related to the Whale Tail Project, Agnico Eagle requests an extension for the submission until August 15, 2017.

Should you have any questions or require further information, please do not hesitate to contact us at the below.
