Dear Ms. Granchinho,

Indigenous and Northern Affairs Canada is unable to meet the June 15, 2018 deadline for submission of comments for the above-mentioned annual monitoring report as our experts have indicated that they need more time to undertake a thorough review of all documents and plans cited in the main report. The Department therefore respectfully requests that the Board considers extending the original June 15, 2018 deadline by one additional week, i.e., until June 22, 2018.

Should you have any questions, please do not hesitate to contact me.

Sincerely,

Felexce Ngwa, Ph.D., EP
