Dear Mr Murdock,

On behalf of Health Canada I have reviewed the draft guidelines. I find the NWB guidelines for the Meadowbank project to be satisfactory and have no comments.

Sincerely,
 Carolyn Dunn

Subject: Draft Preliminary Guidelines for the Meadowbank Gold

Project

Please find enclosed a draft version of Nunavut Water Board Preliminary Guidelines for Applicant for the Meadowbank Gold Project to be issued to Cumberland Resources Ltd (CRL). The NWB will be meeting with CRL the week of February 19th to discuss water licence application information requirements. Following this meeting the NWB will develop Annex A in the document and issue final preliminary guidelines to CRL. Before issuing final preliminary guidelines the NWB has set a call for Intervener comments on the draft preliminary guidelines. If Interveners are interested in filing comments for consideration they may do so prior to February 23rd, 2007.

If there are any questions whatsoever please feel free to contact me as need be.

Regards,

Joe
