141224 2AM-MEA0815 Responses to Technical Review - Renewal - Agnico Eagle-Kivalliq Region-OMLE

me <phyllis.beaulieu@nwb-oen.ca>

Dec 24, 2014 2:42 PM

Posted in group: **Licensing Department**

NOTICE TO ALL PARTIES:

As set out in the Nunavut Water Board's letter of November 24, 2014, please be advised that the following intervening parties have provided final technical reviews. All submissions to date are available on the NWBs ftp site in the folder for SUBMISSIONS / 2015 Renewal:

- Kitikmeot Inuit Association - Updated Appendices 1, 2, and 3 and Updated Final Report, received on December 12, 2014
- Fisheries and Oceans Canada - Technical Review, received on December 15, 2014
- Aboriginal Affairs and Northern Development Canada - Technical Review, received on December 24, 2014
- Environment Canada - Technical Review, received on December 24, 2014

*If Agnico Eagle wishes to provide additional information based on technical submissions please provide to licensing@nwb-oen.ca by no later than **January 7, 2015.***

The Nunavut Water Board is requesting that all interested parties planning on attending the upcoming public hearing in Baker Lake in January please provide the names of the attendees to the Licensing Department at licensing@nwb-oen.ca on or before **January 7, 2015.**

All participants at the Tech Meeting, Pre-Hearing Conference are reminded to bring hard copies of presentations with them, including executive summaries in English and Inuktitut, and a powerpoint presentation for the Community Session

(electronic copies to licensing@nwb-oen.ca would be appreciated for the public registry)
