Good morning!

Great to see everyone in Baker Lake last week (ok David A, sorry we didn't see you - but good job participating by phone!)

Here is the promised draft AEMP clause revision. I reworked the existing clause, but it would be cleaner to just have the first paragraph and delete the bullets, which describe a program that is already in place.

Phyllis, could you forward this to Luis / KivIA please and cc me so I have an email address for them?

Thanks very much,

Anne
