Subject: 150331 2AM-MEA0815 Renewal Application Public Hearing Process - Environment Canada Request for Extension

Hello Stephane,

The NWB has received a request to accept the late filing of a written submission by Environment Canada, as set out in the attached e-mail. As the Board recognizes that this will shorten the time AEM has to review Environment Canada's submission before AEM files their written reply to all intervener submissions on April 13 in advance of the Public Hearing,

the Board is seeking AEM's comments as to whether they have any objection to the Board's acceptance of the late filed submissions of Environment Canada as requested in Mr. Mohammed's e-mail. If AEM can reply by the morning of April 2 so that the Board can consider Environment Canada's request and advise all parties regarding the outcome, it would be greatly appreciated.

Regards,

Robin
