**Subject: Agnico-Eagle Meadowbank; Submission of an addendum for the Road Alignment Quarry Site Geochemistry Report, for the Meadowbank Gold Mine; Licence 2AM-MEA0815**

Dear Ms. Gould;

The Nunavut Water Board ("NWB") acknowledges the receipt of the above addendum document submitted as additional information under Part B, Item 1 of Licence No. 2AM-MEA0815 (originally submitted under Part C, Item 17 of Licence No. 8BC-TEH0708) and, as requested in the letter from the NWB dated January 29, 2009.

A review of the letter (addendum) concludes that the information provided satisfies the request within the January 29, 2009 letter and the information will be placed in the 2AM-MEA0815 file for future reference.

The NWB would like to take this opportunity to thank Agnico Eagle Mines Limited, Meadowbank Division for their patience in taking the time to provide explanation on the questions raised during the review process of this report. This will no doubt prove helpful with the interpretation of results within the Report.

Should you have any further questions, please feel free to contact the undersigned at (780) 4434406, at your earliest convenience.

Yours truly,
