Hi Stéphane,

As you are aware the 2AM-MEA0815 Licence renewal application was distributed for the Completeness Check and IR's request on August 29, 2014. We did receive submissions from AANDC, DFO and EC (see attached). Although I think many items might be brought forward for further discussion during the full technical review and Technical Meeting, however you may want to have a look at it as I believe you would be able to provide some additional info and/or clarifications prior to the beginning of full 30 days formal technical review.

Regards,
