Hi Ms. Ikkutisluk,

I was trying to calculate the difference that we have to pay for 2013 as part of the Nunavut Waters Regulations, Section 12, and I was not able to archive the same number as you (\$19,450) for 2013. For 2014, my calculation is the same as you.

Can you please explain me how you have archived this number. Did you take the amendment amount for 2013 of 1,870,000m<sup>3</sup>?

Thanks much,

Regards,

**Marie-Pier Marcil**

Good morning Marie-Pier

In accordance with the terms of the recent amendment for 2AM-MEA0815 the annual amount of water was 1,870,000 cubic meters per annum for 2013 and reduced to 1,150,000 cubic meters per annum for 2014 onwards. I trust this answers your query.
