Re: Water License 2AM-MEA1525 Part D, Item 14 - Submission of Central Dike and Saddle Dams 3, 4 and 5 As-Built Report

Dear M. Kharatyan,

In accordance with Water License 2AM-MEA1525, Part D, Item 14: *'The Licensee shall submit to the Board for review, within ninety (90) days of completion of each facility designed to contain, withhold, divert, retain waters or wastes during the construction phase, a Construction Summary Report prepared by a qualified Engineer (s) in accordance with Schedule D, Item 1,* Agnico is submitting final design and construction drawings, summary of construction activities, as-built drawings and documentation of field decisions that deviate from original plans regarding the construction of the Central Dike Stage 5 and Saddle Dams 3, 4, and 5 Stage 2.

If the NWB so not see any problem, the As-built document will be sent via the 2016 Annual Report in hard copy.

Should you have any questions regarding this submission, please do not hesitate to contact me.

Regards,

Agnico Eagle Mines Limited – Meadowbank Division
