Re: 2AM-MEA1525 – Part D, Item 14 – Submission of Central Dike and Saddle Dams 3, 4 and 5 as-built report

Dear Mr. Kharatyan,

In accordance with Water License 2AM-MEA1525, Part D, Item 14, Agnico Eagle is submitting final design and construction drawings regarding the construction of Stage 3 for Saddle Dam 3,4,5 and the preparation of the north abutment of Central Dike.

Due to the size of the document, please find an USB key.

Should you have any questions regarding this submission, do not hesitate to contact me.

Regards,
