Good day,

Please find attached a corrected version of the follow-up report send yesterday concerning the 2016-01-25 – Vault Pit Spill.

In the Spill description section, the following text "quantity of diesel spilled was 250 liters", should have read "quantity of coolant spilled was 250 liters" .

We apologize for the mix-up.

If you require further information or have questions, please do not hesitate to contact the undersigned
