Dear Ms. Beaulieu

Re: Water License 2AM-MEA0815 – Groundwater Monitoring Plan, v3, January 2012

In a letter provided by Mr. David Hohnstein, dated June 30, 2009, AEM is required to submit a revised Groundwater Monitoring Plan following the installation of the new groundwater monitoring wells at site. These new wells were installed in September 2011. Therefore, in accordance with the requirements of the above stated letter, please find attached the '*Groundwater Monitoring Plan, v3, January 2012*' for the Meadowbank Gold Project.

Should you have any questions regarding this submission, please contact me via email at rgould@agnico-eagle.com, or contact Stephane Robert at 819-763-0229 or via email at stephane.robert@agnico-eagle.com.
