Please find enclosed the study design submitted by Agnico-Eagle Ltd. entitled 'Environmental Effects Monitoring (EEM): Cycle 1 Study Design Meadowbank Division, Nunavut'. The pdf file is too large to send but if you need an electronic copy, please let me know, and I will send a disc.

The mine would like to meet to discuss TAP comments. As per my email of Thursday January 6, 2011, Agnico-Eagle would like to meet to discuss any questions or concerns. As a result, I would like to suggest a review deadline of February 16, 2011. If this time-line presents a problem, please contact me at [paula.siwik@ec.gc.ca](mailto:paula.siwik@ec.gc.ca) or 780-951-8824.

Thank-you,

Paula Siwik  
Sr. Environmental Effects Monitoring Coordinator
