**Re: Meliadine Gold Mine Project – Submission of the Final Environmental Impact Statement**

Mr. Ryan Barry

I am writing in follow up to the January 16, 2014 NIRB Pre-Hearing Conference Decision Report for the Meliadine Gold Mine Project which asked AEM to inform the NIRB of the expected submission date for the Final Environmental Impact Statement. Following review of the decision, AEM anticipate to be in a position to submit the Final Environmental Impact Statement for the Meliadine Gold Project on or before Friday, May 2, 2014.

Should you have any questions or require more information, please contact me directly at [stephane.robert@agnico-eagle.com](mailto:stephane.robert@agnico-eagle.com) or by telephone at 819-763-0229.

Yours sincerely,
