Re: Appointment of NIRB Interim Monitoring Officer

Dear Jamie Quesnel:

In accordance with the Meliadine Gold Project Certificate No. 006 issued by the Nunavut Impact Review Board (NIRB or Board) on February 26, 2015, the NIRB is required to assign a Monitoring Officer for the Meliadine Gold Mine project (NIRB File No. 11MN034) as it proceeds.

Please note for your records that the NIRB has recently appointed me to serve as the Interim Monitoring Officer for Agnico Eagle Mines Ltd.'s (Agnico Eagle) Meliadine Gold Mine Project. I have vast experience with the original review of the Meliadine Gold Mine project and have been a Monitoring Officer since 2013 and I believe this will greatly assist in the smooth transition of the file through the remainder of this monitoring cycle as well as the completion of Agnico Eagle's "Saline Effluent Discharge to the Marine Environment, Rankin Inlet, Meliadine Gold Mine" currently before the Board.

Please ensure that any materials submitted to the NIRB are done so electronically either via our info@nirb.ca account or through our online registry at www.nirb.ca by using any of the following search criteria:

- Project Name: Meliadine Gold Mine
- NIRB File No.: 11MN034
- Application No.: 124106

Until further notice, all correspondence pertaining to the Meliadine Gold Mine Project may be addressed to the Board as follows:

Nunavut Impact Review Board
Attn: Kelli Gillard
Manager, Project Monitoring
P.O. Box 1360 (29 Mitik St.)
Cambridge Bay, NU X0B 0C0

If you have any questions regarding the transition of the file, please feel free to contact myself at kgillard@nirb.ca or (867) 983-4619.

Sincerely,

Kelli Gillard B.Sc., P.Ag.
Manager, Project Monitoring
