Subject: Re: Meliadine Mine 2AM-MEL1631 Water Licence Amendment Application draft agenda for Technical Meeting Teleconference

Good morning,

Yes, there are no changes planned from holding the technical meeting by teleconference on November 30, 2020, the TM Community Session and the Pre-Hearing Conference are postponed until a later date. Should the Nunavut Water Board receive a request to cancel the teleconference the NWB will notify all parties.

Regards,

Richard
