Hello Andrew,

To address comment CIRNAC-TC-06 on the Meliadine Water Licence Amendment application, we are confirming the mine plan and the global numbers for waste rock, tailings, overburden, and ore:

Total Waste Rock (Mt)	Total Tailings (Mt)	Total Overburden (Mt)	Total Ore (Mt)	Total Ore Stockpile (Mt)
179.6	31.4	34.5	37.5	6.1

We trust this addresses the question and the comment is resolved.

Thank you,

Jen
