Good morning Richard,

Crown-Indigenous Relations and Northern Affairs Canada confirms it will attend the technical meeting for the Meliadine water licence amendment. The department will be represented by:

- Andrew Keim, Manager of Water Resources – in person
- Sarah Forté, Regional Coordinator – in person
- Gerd Wiatzka, consultant with Arcadis, supporting the department – virtually

We wish to make a formal presentation during the technical meeting. The English version of the presentation is attached to this email. We will send the translated versions to the Nunavut Water Board as soon as they are available.

CIRNAC has reviewed the draft agenda for the technical meeting and pre-hearing conference, as well as for the community session, and we have no comments.

We look forward to seeing you in Rankin Inlet in two weeks.

Have a nice week-end,

Sarah
