Good morning,

The NWB thanks AEM for its e-mail, copy attached, requesting earlier submission of comments. The standard practice at the NWB has always been to grant an extension to all Parties, when requested by any one Party.

The NWB recognizes the points raised in AEM's email, the NWB encourages those Parties able to do so to get their comments into the Board by the **March 15th**, so as to allow AEM to begin preparing their response in time for the **March 22nd** turnaround.

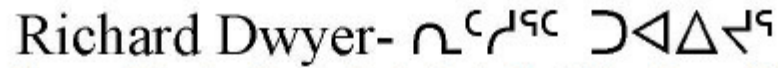

All comments will be saved at the link below as soon as possible.

The NWB thanks all Parties for their cooperation and understanding.

Regards,

Richard
