Good morning,

The KIA had requested an extension to submit Final Written Submissions to **March 22, 2021**, unfortunately the NWB is not able to grant this extension as this will affect the entire timetable, including PH dates.

The Board is able to extend the Final Written Submissions to **March 17, 2021**. The updated steps preceding the Public Hearing are:

- **March 17, 2021**, the Intervenors must file their final written submissions and presentations for the Public Hearing;
- **March 22, 2021**, the Applicant must file any further responses to the information filed in advance of the Public Hearing and final written submissions with the Board;
- **March 25, 2021**, all parties intending to present to the Board during the Public Hearing must file any presentation materials (e.g. PowerPoint Presentations, etc.) upon which they intend to rely at the Public Hearing.

All submissions dates remain unchanged and can be found at the link below:
