Hi Ian and Richard,

As the AANDC and KivIA (Hutchinson Environmental on their behalf) were the only Interveners requesting additional information the NWB would like to get your feedback or approach whether or not you are satisfied with AEM additional submission/responses at this time? From the NWB understanding you agreed that that the application could be considered complete for the full technical review stage?

Richard, although AEM didn't provide responses to your comments, however, it seems they planned to work with you to address the concerns during the technical review stage. Would it be admissible for KivIA?

Thank you for your feedback,

Karén Kharatyan, Ph. D- ԵՂՁ ԵՏՈՂՁ
