Hi NWB,

I'm writing this email in regards to due of the Meliadine Annual report.

We only recently (three weeks ago) got a contract in place to help with this review. In talks with the consultant they will require more time to complete this review, given all there other committments.

Given that the contractor (Arcadis) is working with us on multiple files as well as others, we are requesting an extension of six weeks due date August 23, 2019.

Please advise if this is acceptable.

Regards,

Ian Parsons
