Good afternoon Mr. Dwyer,

Thank you for your time for our earlier phone call.

As discussed, Agnico Eagle would like to request an extension to submit its answers to the 2022 Meliadine Annual Report Comments by or before September 15<sup>th</sup> 2023 as for some answers we are still working with our consultant and colleagues who are off rotation at this time.

We thank you in advance for your consideration and remain available should you have any questions.

Kind regards,  
Sara
