**Subject: Water Management Working Group Teleconference #1; Type “A” Water
Licence No: 2AM-MEL1631, Agnico Eagle Mines Limited, Meliadine Project;**

Dear Parties:

Following the issuance of Amendment No. 1 to Water Licence No: 2AM-MEL1631, the Nunavut Water Board (NWB or Board) would like to follow up regarding the formation of the Water Management Working Group (WMWG), as proposed in the Decision to Amendment No. 1, and schedule the first teleconference to discuss associated monitoring and further actions. The Board notes that the timing of the first meeting of the WMWG was discussed to be tentatively scheduled within two weeks following the commencement of the discharge from Containment Pond 1 (CP1), and suggest having this call on **Wednesday, June 3, 2020**

By way of this correspondence, all interested parties or persons are requested, **on or before Friday, May 22, 2020**, to:

- confirm their participation in the Teleconference including the name(s) of the person(s) participating; and
- provide their opinions on NWB suggested timing for the first WMWG call.

The Board notes that even though this letter is being addressed to the parties that participated in the review / teleconference for the Amendment No. 1 application, any other party interested to participate in this Teleconference should advise the NWB accordingly.

If you have any questions regarding this letter or any technical matters related to the file, please contact Sergey Kuflevskiy, the NWB Technical Advisor, by email at sergey.kuflevskiy@nwb-oen.ca, or for administrative matters, Richard Dwyer, the NWB Licensing Manager by email at licensing@nwb-oen.ca.

Sincerely,

Karén Kharatyan
Director of Technical Services
Nunavut Water Board
