Re: Crown-Indigenous Relations and Northern Affairs Canada's Reply to Agnico Eagle's Response to the Review of Meliadine Mine Jetty A8 Design Report and Drawings for the Meliadine Project, Type A Water Licence No. 2AM-MEL1631

Dear Mr. Dwyer,

Thank you for the June 16, 2025 invitation to review Agnico Eagle's response to CIRNAC's comments regarding Meliadine Mine Jetty A8 Design Report and Drawings, submitted by Tetra Tech on behalf of Agnico Eagle Mines Ltd (Agnico Eagle), for Type A Water Licence No. 2AM-MEL1631.

Crown-Indigenous Relations and Northern Affairs Canada (CIRNAC) examined the response and associated information pursuant to its mandated responsibilities under the *Nunavut Waters and Nunavut Surface Rights Tribunal Act* and the *Department of Crown-Indigenous Relations and Northern Affairs Act*. CIRNAC has no further comments at this time.

If there are any questions or concerns, please contact me at (613) 390-1682 or Cassandra.Bach@rcaanc-cirnac.gc.ca or Andrew Keim at (867) 975-4550 or Andrew.Keim@rcaanc-cirnac.gc.ca.

Sincerely,

Cassandra Bach, B.Sc.,
Water Resources Coordinator
