**Water License 2AM-MEL1631 Part D, Item 1 and 2 - Submission of the final design and construction drawings for the Saline Water Treatment Plant**

Dear Mr. Dwyer,

In accordance with Water License 2AM-MEL1631, Part D, Items 1 and 2, please find enclosed with this letter, a copy of the final design and construction drawings for the Saline Water Treatment Plant.

During mine construction and operation, saline contact water originating from the underground mine will be collected and pumped to the Saline Pond. The underground saline contact water will be treated by the SWTP prior to discharge to Collection Pond 1

Should you have any questions or require further information, please do not hesitate to contact me.
