NON CLASSIFIÉ / UNCLASSIFIED

Good morning Richard,

Thank-you for sending Agnico Eagle's response to CIRNAC's technical comments regarding the Waste Rock Storage Facility 3 Raise Design Report. Their written response addressed our comments #1 and 3.

This morning I met virtually with several people at Agnico Eagle to discuss further questions regarding their creep deformation analysis and criteria. The information shared during the meeting addressed outstanding concerns regarding CIRNAC's comment #2.

CIRNAC's therefore has no further comments regarding the Waste Rock Storage Facility 3 Raise Design Report.

We appreciate Agnico Eagle's availability to meet and offer clarifications on short notice.

Have a nice day,

Sarah
