Good evening,

Attached is a spill report describing an incident that occurred at Agnico Eagle Mines Ltd., Meliadine Project.

This spill is being reported as required by:

- the Government of Nunavut's, Environmental Protection Act, paragraph 5.1(a).
- the conditions under the Nunavut Water Board License 2AM-MEL1631 Water Licence, part H, item 9b.

This spill has already been submitted via the online spill reporting tool and is labelled 2019-471.

An investigation is underway and a follow-up report will be issued once complete. No water bodies were impacted by this event.

If you require further information or have questions, please do not hesitate to contact the undersigned.
