Good afternoon Mr. Dwyer,

As discussed earlier, Agnico Eagle would like to request an extension to submit our response to comments on the Interim Closure and Reclamation Plan February 24th.

This will allow us to account for relevant comments that might arise from the public hearings relative to the Whale Tail project and ensure we propose a consistent approach between the three Agnico Eagle Mine sites in Nunavut.

Thank you in advance for your consideration and don't hesitate to contact me if you have any questions.
