

HATCH™

SECTION F-F
SCALE 1 : 50

This architectural drawing shows a long, narrow building facade with a grid pattern. It features two identical doorways, each with a small window above it. The drawing is oriented horizontally, with a north arrow pointing to the right. The grid pattern is composed of vertical and horizontal lines, creating a series of small squares. The doorways are located at the left and right ends of the facade. The drawing is a black and white line drawing.
