The site plan shows a large U-shaped driveway or parking area. Inside the U-shape, there is a rectangular structure labeled 'Garage/Workshop' with dimensions of 50' by 20'. To the right of the driveway, there is a complex of structures including a main building with a 25'-8" wide section, a 50'-9" wide section, and a 45' wide section. There are also two circular structures, possibly tanks or silos, and a small square structure. The plan is bounded by a 269'-8" wide section at the top and a 292'-3" wide section on the right. A north arrow is located in the top left corner. The plan is stamped with the professional engineer's name, J. J. Casson, and the date, Sept 30/11, and the NTRU (Northwest Territories Register of Titles) stamp.
