**Re: Baffinland Iron Mines Corporation Application for Amendment to Type 'A' Water Licence  
2AM-MRY1325 - Submission of Baffinland Responses to Intervener Technical Comments**

Dear Richard,

Please find enclosed a copy of Baffinland Iron Mines Corporation's (Baffinland) Response Package in relation to the *Updated Application for Amendment No. 2 of Type A Water Licence 2AM-MRY1325, May 2019* for Phase 2 of the Mary River Project. The Response Package provides responses to technical comments received from:

- Qikiqtani Inuit Association (QIA)
- Environment and Climate Change Canada (ECCC)
- Fisheries and Oceans Canada (DFO)
- Crown-Indigenous Relations and Northern Affairs Canada (CIRNAC)

Baffinland appreciates the continued efforts of the NWB and Interveners to ensure an efficient and timely review process. We trust the responses provided will satisfy the requirements of the Interveners to continue their technical reviews. Baffinland reiterates its commitment to identifying and resolving issues as early as possible, and will make every effort to create opportunities for this to occur.

For any questions or clarifications please do not hesitate to contact the undersigned for further information.

Best Regards,
