**SUBJECT: Type A Water License Application for Baffinland Iron Mines
Corporation Mary River Project**

Dear Mr. Chubb:

The Nunavut Water Board (NWB) hereby acknowledges receipt, on March 20, 2008 of the above application for a water licence. Your file number is quoted above. Please reference this number on all future correspondence.

Before your application can be processed by the NWB, it is subject to sections 38(1) to 38(5) of the Act and therefore must first be reviewed by the Nunavut Planning Commission (NPC) to determine its conformity with an approved land use plan. By copy of this letter to the NPC, we are formally asking our sister board to undertake this determination and inform the NWB of its decision.

Regards,
