Good morning,

Please find attached Letter from Baffinland Iron Mines Corporation in response to parties' Information Request's (IR's).

Due to the file size the attachments can be found at the following link and listed below:

The Nunavut Water Board would like to ask parties to confirm whether the additional information submitted by Baffinland Iron Mines Corp satisfies their IR's and whether they are ready to start the full technical review of the application package.

The deadline for confirmation is end of day **August 23, 2024**.

The Nunavut Water board is aware that a number of web browsers are no longer supporting File Transfer Protocol (ftp). If you are having difficulty accessing our FTP site you may need to download an FTP application. We have been recommending the FileZilla Client below to access the files, which is a free and open source application. A link can be found below:
