Good morning,

Please find attached Parties' comments in regards to the Renewal Application for Water Licence No: 2AM-MRY1325. The Nunavut Water Board requests Baffinland provide a response by the deadline of **November 12, 2024**.

For information of all parties, the main location for the Technical Meeting / Pre-Hearing Conference will be **Pond Inlet on December 2-3, 2024**. Additionally, and subject to logistics, the NWB will have a public gathering from North Baffin Island communities in Iqaluit to have online participation in the Technical Meeting.

Please note that the NWB has an additional 9 rooms booked in Pond Inlet that can be released to parties as per their request. The NWB is also aware that Black Point Lodge in Pond Inlet has additional rooms available.

Please advise the NWB accordingly.

Regards,

Robert Hunter
