Dear Mr. Aglukark:

Re: Mary River Project – Early Revenue Phase

We are writing in response to your letter of August 6, 2013, requesting an application for the development of a transportation corridor pursuant to section 3.5.11 of the North Baffin Regional Land Use Plan, prior to making a conformity determination. While our position is set out in our submission of August 2, 2013, we now enclose a revised Application to Determine Conformity which includes, as part of Question 21, the application which you have requested.

We trust that this will enable the NPC to make its conformity determination respecting the ERP, and hope that, based on your letter of July 31, 2013, you will now proceed expeditiously.

Sincerely,

A handwritten signature in black ink, appearing to read "Erik Madsen".
