

NUNAVUT PLANNING COMMISSION NOTICE OF PUBLIC REVIEW, FIRST AMENDMENT

Further to the NPC's public notice published November 18, 2013, it is the intention of the Nunavut Planning Commission (NPC) to conduct a Review with the Nunavut Impact Review Board (NIRB) of the transportation corridor proposed as part of the Baffinland Iron Mine Corporations (BIMC) Early Revenue Phase (ERP) for the Mary River Project. This Notice extends the timelines for becoming a participant and provides further information.

Particulars of the Public Review of the ERP

The North Baffin Regional Land Use Plan (NBRLUP) requires parties wishing to develop a transportation corridor to submit an application to amend the (NBRLUP). The ERP includes: upgrades to the Milne Inlet Tote Road; new permanent project facilities at Milne Inlet; and increased truck traffic and shipping traffic transporting iron ore from the Mary River Mine Site to markets overseas. The ERP may have environmental and social impacts relating to the Milne Inlet Tote Road, Milne Inlet as well as the marine environment around Milne Inlet, and nearby communities.

Issues to Determine

The public review will help the NPC determine whether the ERP meets the information requirements of Appendices J and K of the NBRLUP, and whether to recommend an amendment to the land use plan, in accordance with Rules 7.1 and 7.3 of the NPC's *Rules of Procedure for Public Hearings and Public Reviews (RPHPR)*.

The Evidence

BIMC's application will be supported by written and oral evidence. Pre-filed material supporting the application and other documents relating to the ERP will be available for public inspection at the NPC's office, and the NPC's website. Copies of the public record will be made available at the time and place of the hearing to the extent reasonably possible.

How to Participate

If you are an Inuit, or another resident of Nunavut and are potentially affected by the ERP, **you are entitled to participate as a party without seeking a grant of standing, although you are asked to notify the NPC if you intend to participate.** Please notify the NPC by **December 16, 2013**:

The Public Review Proceedings

The NPC has elected to hold informal oral hearings at which participants (parties and interested persons granted standing) may make representations and introduce evidence under Section 32 of the *RPHPR*.
