On March 5, 2015, the Nunavut Planning Commission's Senior Conformity Officer made a negative conformity determination recommendation (NCDR) for the above-noted project proposal. BIMC was provided 10 days to respond to the NCDR and submitted a response on March 16, 2015. The NCDR, and BIMC's response, as well as other relevant materials were forwarded to the Commissioners to review and to make a final conformity determination.

- apply to the appropriate Minister for an exemption from the NBRLUP in accordance with the NLCA;
- amend the project proposal to comply with the NBRLUP and resubmit the amended project proposal;
- apply to the Commission to amend the NBRLUP; or
- re-evaluate the project proposal.
