Dear Mary River Distribution List,

On July 2, 2009 the Nunavut Impact Review Board (NIRB or Board) received the attached request from the Qikiqtani Inuit Association (QIA) for an extension to the commenting period for the "*Draft Guidelines for the Preparation of an Environmental Impact Statement for the Mary River Project, NIRB File No. 08MN053*". The NIRB considers this request reasonable and is extending the commenting period for this file accordingly.

The NIRB requests that interested parties review the *Draft EIS Guidelines* and provide comments to the Board based on their areas of jurisdiction and/or expertise on or before **Tuesday, August 4, 2009**.

Please send all comments to attention of NIRB's Manager of Environmental Administration Leslie Payette by email at info@nirb.ca or via fax at (867) 983-2594.

Sincerely,

Ryan Barry
