Subject: RE: NIRB 08MN053: Revised Guidelines for Baffinland Iron Mines Corp's Preparation of the DEIS for the Mary River Project

Good morning,

After having read the e-mail and the information regarding the DEIS workshop set for Iqaluit on the Baffinland Mary River Project NTI will not be submitting any hard copy at this time as we will be working in concert with the Qikiqtani Inuit Association on the project. Both Jeannie Ehaloak and myself will be sitting in at the workshop alongside the QIA.

Sincerely,
